Dear Mr. Morris:

Re: Amendment, Proposed Road Paving, Genwal Coal Company, Inc.,
Crandall Canyon Mine, ACT/015/032-89B, Emery County, Utah

Enclosed is a copy of a proposal the Division has received from Genwal Coal Company (Genwal) regarding the paving of a portion of the mine haul road at the Crandall Canyon Mine. The Division had requested that Genwal take some action to correct a problem with road base material being deposited on the outslope of the road above Crandall Creek. The Division favors this proposal and plans to approve it soon, with a condition that Genwal obtain Forest Service concurrence prior to initiating paving.

Genwal would like to initiate paving soon while the weather is good. Feel free to contact Allen Childs of Genwal directly if you have concerns about the proposal.

If you need further information you can contact me or Rick Summers, Reclamation Hydrologist.

Sincerely,

Susan C. Linner
